Benefits and Services For Librarians

Take advantage of:

- Single administration account
- Accessible for all institution types in every geographic region
- Post-cancellation rights for applicable content
- COUNTER-compliant usage reports (Release 5)
- Tools to promote subscriptions within your institution are available upon request from your sales representative
- Integration of your institution's name on every content page informing users that full-text access is a service provided by your institution (subscribed-to content)

For end users:

- Access full text HTML and PDF articles, anywhere, anytime, on your selected device
- ASME content optimized for responsive mobile viewing
- Read articles online up to two months ahead of print publication
- Sign up for eTOC alerts for automatic notification of new content of interest to you
- Download key information, organize references, save images and tables to personal user accounts
- Link from article references to the full abstracting services including: Crossref, Google Scholar, Scopus, EBSCO Full Text Finder, IHS Goldfire, Web of Science, and PubMed and Medline (when relevant)
